June 1th – 5th, 2008

Dear ACG Members,

On behalf of PT. Kustodian Sentral Efek Indonesia (KSEI) and PT. Kliring Penjaminan Efek Indonesia (KPEI), it is a great pleasure to cordially invite you and your delegation to the 10th ACG Cross Training Seminar to be held at the InterContinental Bali Resort, Jimbaran Bay Bali, Indonesia, on June 1st - 5th, 2008.

The main theme of the seminar is Straight Through Processing (STP) for Improving Market Liquidity. STP enables the entire process of capital market and transaction payment to be conducted electronically without manual intervention. In recent years, the importance of STP implementation has enhanced considerably.

This seminar will cover various issues and aspects related to STP development CSD cope with in the region. Relevant presentations from distinguished experts and ACG delegates will be featured accordingly.

As a joint organizing committee, KSEI and KPEI would spare no efforts in making the seminar an open and interesting forum for ACG delegates to share experiences and develop ties of mutual cooperation.

As we usually did in the previous ACG Cross Training Seminar, we would greatly appreciate it if you could directly involve and participate in this seminar by preparing a presentation related to the theme.

Due to the facts that June is quite a high season in Bali, we would appreciate it if you could kindly provide us by March 27th, 2008 with the number of delegates that will attend this seminar. Please send us by e-mail (email address: ACGCT10@ksei.co.id) the required information as follow:
