Singapore

Dear ACG Members,

On behalf of Singapore Exchange Limited (SGX), it is our pleasure to invite you and your delegation to the 12th ACG General Meeting to be held at the St. Regis Singapore from 9 to 11 November 2008.

The meeting aims to cover various concerns and initiatives faced by CSDs in the region; such as engaging the customers and building customer relevance, as well as the new demands on technology infrastructure. The meeting will also showcase presentations from other regional CSD groups and key players in Singapore's business and financial sectors. We hope that the meeting would be an open and interesting platform for sharing your experiences and developing mutual cooperation. Hence, we would appreciate your active participation and ardent support to make the meeting a fruitful one.

We look forward to welcoming you in Singapore, a dynamic city rich in contrast and colour with a harmonious blend of culture, cuisining, arts and architecture.
