------	---------	-------

	<p>Based on legend, Pura Tanah Lot was built by Brahmana from Java Island, named Danghyang Nirartha, that has successfully strengthen the Balinese believe in Hindu and also built Sad Kahyangan in 16<sup>th</sup> century. The success of Danghyang Nirartha made Bandesa Beraben, the ruler of Tanah Lot jealous and told Danghyang Nirartha to leave Tanah Lot. Danghyang Nirartha agreed to leave Tanah Lot. However, prior to his leaving of Tanah Lot, he moved rocks to the middle of the coast (not the ocean) and built the Pura Tanah Lot. He also transformed his scarf into a very poisonous snake to guard the Pura tanah lot and contribute to the temple's dangerous reputation. The end of the legend is that bandesa Beraben finally became the follower of Danghyang Nirartha.</p>
