ASIA LEADING THE CHARGE INTO THE DIGITAL AGE

\$363BN

**Projected digital economy in
Southeast Asia by 2025**

CROSS BORDER CHALLENGES

DIGITALISATION IS INEVITABLE

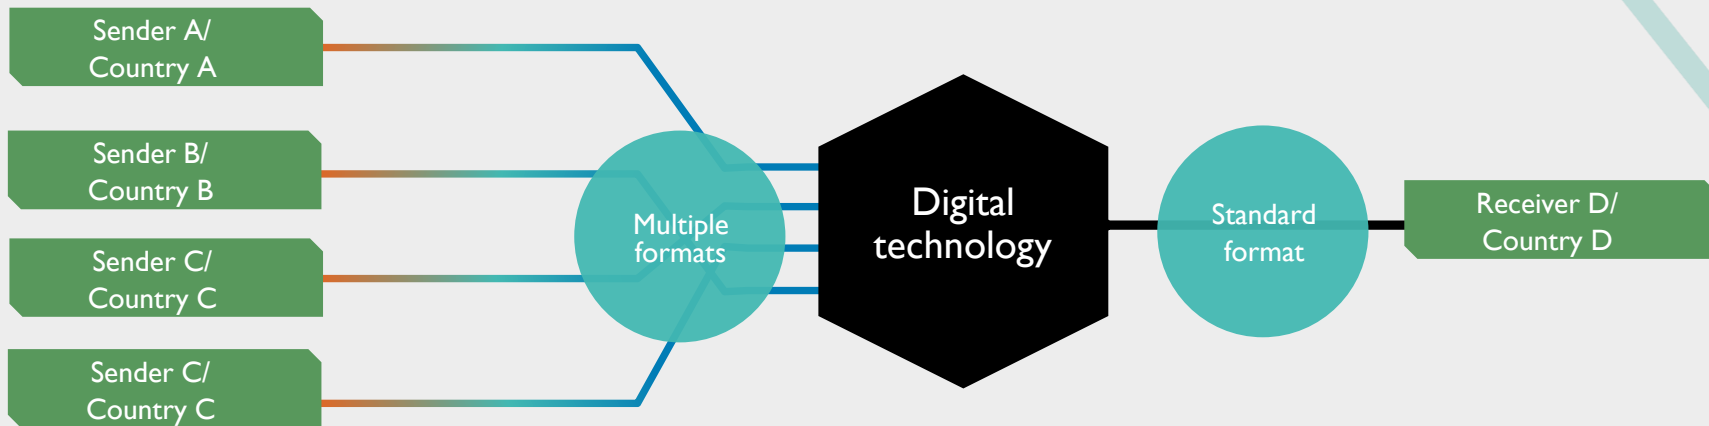

For all the advances in automation across the entire global funds landscape, the frictional cost of doing business persists.

The optimal operating model is yet to be achieved.

LEARNING FROM OTHER INDUSTRIES' SUCCESS

A SHIFT IN PERSPECTIVE

- **Real-time access to data**
- **Faster data collection and processing**
- **Scalable technology**
- **Better use of resources**

THE DIGITALISATION JOURNEY

ACHIEVING DIGITAL 'UTOPIA'

THE INVESTOR OF TOMORROW

- **Access to a wider range of global securities**
- **A more personalised service**
- **Access to products that align with their values**
- **A streamlined, digital and integrated experience**
- **Low cost**
